

## IN-HOME WRIST SIZING GUIDE

We have created a sizing guide to help you find your wrist size from the comfort of your home.

### FOR YOUR CHARMING WRIST:

Print out this paper in the comfort of your home on an A4 paper with 100% matching dimensions. The box below should match any credit card sizes you have, guaranteeing the right scaling of the paper tape.

### SIZING THE RIGHT WRIST HUG YOU NEED:

1. Should the credit card size be adequate, cut out the scale on the right side.
  2. Wrap the paper ruler around your wrist joint for a comfortable fit.
  3. The number indicated by the arrows is your wrist size.
  4. We would advise adding another cm for a looser fit.
- And voilà! Pick the right size before adding your wrist hug to your cart!
